Professional Summary

AWS Certified Solutions Architect – Associate with foundational knowledge in Linux, networking, AWS cloud, and DevOps practices. Hands-on experience with EC2, S3, IAM, Docker, and CI/CD pipelines using Jenkins and GitHub. Passionate about DevOps, DevSecOps, and cloud security with strong willingness to learn and contribute in real-world environments.

Technical Skills

Cloud & DevOps: AWS (EC2, S3, IAM, VPC, CloudWatch), Docker, Jenkins, Git, GitHub, CI/CD

Linux & Networking: Linux commands, file permissions, process monitoring, SSH, IP, DNS, HTTP/HTTPS, ports, SSL/TLS

Security Basics: Secure IAM practices, log monitoring basics

Database: PostgreSQL/SQL

Education

MCA – Dr. D. Y. Patil Institute Of Management & Entrepreneur Development, Pune (2021–2023)

First Class with Distinction

BCA – Gandhi College, Beed (2018–2021)

First Class with Distinction

Certifications

- AWS Certified Solutions Architect – Associate
- GitHub Certification – LetsUpgrade
- Wipro DICE ID Certification in AWS
- AWS APAC Virtual Job Simulation Program – Solutions Architecture

Projects

AWS & DevOps Implementation

- Launched and configured EC2 instances and managed security groups
- Hosted static website using AWS S3
- Implemented IAM users, roles and policies
- Deployed web application using Docker on EC2
- Created basic CI/CD pipeline using Jenkins and GitHub
- Monitored resources using CloudWatch

Dockerized Application Deployment

- Built Docker image and deployed container on EC2
- Configured ports and verified deployment

End-to-End DevOps Monitoring & CI/CD Project (Current)

- Built CI/CD pipelines using GitHub and Jenkins.
- Deployed Docker containers on Kubernetes.
- Managed AWS EC2 Linux servers.
- Implemented Prometheus, Grafana and CloudWatch monitoring.
- Automated deployments with Bash scripts.
- Currently integrating Terraform, Ansible, SonarQube, Load Balancer and Auto Scaling.

Strengths

- Quick learner and adaptable to new technologies
- Strong interest in DevOps, DevSecOps and Cloud Security
- Good communication and teamwork skills
- Ready to join immediately
